

**CREATE  
A NEW  
SPACE OF  
FREEDOM.**

**BIO 120  
BIOCLIMATIC  
PATIO COVER**

A stylized graphic element consisting of three horizontal, overlapping curved lines that sweep upwards from left to right, positioned above the brand name.  
**biossun®**

Freedom is having a space that  
I can create and adjust every day  
to suit my mood:

## **a bioclimatic patio cover.**

A patio, a play room, a convivial area for a starlit dinner, a quiet corner for an afternoon nap... With a Biossun bioclimatic patio cover and its 175° adjustable slats, the sky's the limit when it comes to controlling sunshine and ventilation on my patio! I get to decide based on the weather and my mood.

**An outdoor desire that  
comes from inside!**

Outdoors, indoors...  
Why choose?

### **Whatever the weather!**

Let the rain fall, let the  
wind blow, but never let  
it get you down!

A woman is lying back in a black wire mesh lounge chair on a wooden deck. She is wearing a light-colored swimsuit and has her hands behind her head. To her left is another empty black wire mesh lounge chair. Between the chairs is a small, round, black metal table with a glass of water and an open book. The deck is made of light-colored wooden planks. In the background, there is a large, clear blue swimming pool that extends to the edge of the deck, offering a panoramic view of a city and the ocean under a clear blue sky. The scene is captured from a low angle, looking up at the woman and the pool. The overall atmosphere is relaxed and luxurious.

**I'm tanning,  
and  
I love it!**

Bask in the sun  
whenever I want.

# BIO 120

## My adjustable home

Create an extra room?

Easy!

## 18 possible combinations!

WIDTH \ DEPTH	2 950 mm	3 250 mm	3 550 mm
	surface area m <sup>2</sup>		
2 950 mm	8,7	9,6	10,5
3 250 mm	9,6	10,6	11,5
3 550 mm	10,5	11,5	12,6
3 850 mm	11,4	12,5	13,7
4 150 mm	12,2	13,5	14,7
5 050 mm	14,9	16,4	17,9
Max. upright height	2 700 mm		

## My personal touch

Available in five structure colours with an elegant frosted matte finish.

One light colour with glossy finish for the slats, to maximise luminosity.

PURE WHITE

One slat  
colour

PURE WHITE  
RAL 9010 B

Free-standing or installed against the wall, the BI0120 patio cover can be adapted to suit your lifestyle.

## Two types of installation!

Free-standing

Wall-mounted

## My creativity on display!

Turn the lights on for  
spectacular effects...  
Your patio cover, your style!

## Spotlight tubes

3 or 4 spotlights depending on dimensions

## Zipsun® blinds

Harmonious and functional,  
motorised vertical blinds can be  
lowered thanks to the Biossun  
remote control. Choose from a  
wide selection of high quality  
materials.

## Say yes to unmissable accessories!

Yes to greater comfort,  
yes to greater liveability,  
yes to accessories for all  
weather conditions!

## Rain and wind sensor

In the event of unexpected rain, the system receives commands from a detector and automatically closes the slats.

Similarly, the Biossun wind detector, which can be set for winds of 50km/h upwards, will open the slats to prevent the patio taking off in the wind.

## Remote control

All patios should have one. This multifunction controller provides controls for slat opening, lighting and screens.

The renowned inspection agency Bureau Veritas has examined Biossun's bioclimatic patio cover manufacture and certified that the products made are compliant with the requirements of the ORIGINE FRANCE GARANTIE label. Certification number 6028275.

Guarantees the quality of thermolacquered aluminium parts by continual inspection.

Guarantees thermolacquered coatings against acid and alkaline attack.
